

Partners in Performance

Presented by The Land O'Lakes Kennel Club

Friday

10:30 MN 4-H Dog Project Leaders AKC 4-H Liaison Megan Green

A representative from AKC will discuss the possible programs that will provide opportunities to do activities with their dog.

11:00 AKC Veterinary Outreach AKC Representative Coady Egan with the University of Minnesota Society of Theriogenology

A representative from the American Kennel Club will provide information that will assist veterinary students through a live stream presentation. Services including research, new treatments and preventative measures.

12:00 The Retrievers Ron Wenaas

An all-volunteer team providing expertise in helping rescues and owners find and recover lost dogs. Assistance in organizing an effective search through consultation and research will be discussed.
